Department of Chemistry and Biochemistry
Full-time Tenure-Track
Assistant Professor of Biochemistry

SPECIALIZATION: Any area of biochemistry; expertise in biomaterials, biomolecular modelling, bioinformatics or bioanalytical chemistry would complement existing research capabilities, and could lead to research collaboration and/or course development.

DUTIES OF THE POSITION: Innovative and cutting-edge teaching at the undergraduate level. Bring creative approaches in teaching general and introductory chemistry, biochemistry, and in the area of specialization (e.g. bioanalytical chemistry, biomaterials, bioinformatics, etc.). Develop, implement and sustain an externally funded, independent research agenda involving undergraduate students. Participate in service activities in support of the department, college, university, and/or community.

RANK AND SALARY: Assistant Professor. Salary is dependent upon educational preparation and experience, and is subject to budgetary authorization.

DATE OF APPOINTMENT: Fall Quarter 2018 (September).

QUALIFICATIONS: Candidates must have a Ph.D. in chemistry, biochemistry, or closely-related field, conferred by time of appointment. Postdoctoral experience and/or teaching experience is desirable.

APPLICATION DEADLINE: Review of completed applications will begin on October 16, 2017. Please submit contact information and copies of transcripts of all post-secondary degrees (official transcripts will be required prior to appointment), curriculum vitae, a statement of teaching philosophy and strategies, and a statement of research/professional accomplishments, and future plans, and a Diversity Statement with a cover letter. Please also arrange to have three letters of reference sent on your behalf to facultyrecruitment@csusb.edu.

Materials are submitted online through https://www.governmentjobs.com/careers/csusb/jobs/1801088-0/chemistry-biochemistry-assistant-professor-tenure-track. Referees should email confidential letters of recommendation to facultyrecruitment@csusb.edu. Questions may be directed to the department chair, Kimberley Cousins at kcousins@csusb.edu.
